

## Program for the 2018 eat! berlin gourmet festival

Dear Friends of the Gourmet Life,

We would like to introduce you to our fine dining festival eat! Berlin.

From **February 23 until March 4<sup>th</sup>, 2018**, the German capital will experience a culinary explosion. The ten days of the eat! Berlin festival will provide food and wine aficionados with their fill of masterfully conceived gatherings: **50 different events** will be held in almost as many locations, with **60 chefs** working the stoves — 28 of them from outside Berlin and even outside Germany. Regardless of whether they're cooking international, gigantic, sweet, hearty or high-proof, every morsel will be world class. They represent over **100 toques** and **469 points** in **Gault&Millau**, not to mention **30 Michelin stars**. White, red and sparkling wines from over 25 winegrowing estates, including **21 VDP** members (Association of German Quality Wine Estates) will be served to accompany the 4 - 10 course menus.

eat! berlin started with only 400 visitors in 2011 and has now become one of the ten best gourmet festivals in the world, according to the "Traveler's World" luxury and travel magazine. The seventh vintage fulfills everything a connoisseur's heart desires: guest chefs like Tim Raue, Marco Müller, Nils Henkel Sebastian Frank and Harald Rüssel are absolutely high ranked. The cooking locations are also exclusive and unusual, such as the Natural History Museum, the Stadtbad Oderberger Straße and the Komische Oper.

The gourmet festival kicks off on Friday, 23 February 2018 with the **Zwei auf Eins-Dinnershow** at the **Microsoft Atrium** and concludes with the festive gala in the **Waldorf Astoria** on **Sunday, 4 March 2018**.
